## SANGO COLLEGE

Opening a Brilliant Success—  
President Leftwich Hopeful  
That Conditions Will  
Improve.

The Sango Baptist College opening was a great success.

Monday morning, at the appointed time a large crowd composed of people from all over the country and from the city gathered at the College to join in what proved to be the greatest event ever witnessed in this country.

Mothers and fathers from many neighborhoods came with their children, enrolled them and paid advanced board for them and thereby manifested unprecedented interest in the College work.

Many people of the city joined in and helped out in many ways.

At night Prof. Page of Langston University made the speech of his life and carried the people away on the wings of his oratory.

\$386 was collected during the day and one hundred and fifty students matriculated. Prof. J. C. Leftwich reports that since his appointment as President \$1242 has been raised for the school.—Comet.
